

Application summary

Application title

Proposed duration of funding (months)

Please answer this question in numerical format.

Proposed start date (dd/mm/yyyy)

You can change your start date if your application is successful. All grant expenditure and activities must be within the grant start and end dates.

Name of administering organisation

If your application is successful, this is the organisation that will be responsible for administering the award.

Address where the grant will be held

If your application is successful, we will use this address in your award letter.

Department/Division	<input type="text"/>
Organisation	<input type="text"/>
Street	<input type="text"/>
City/Town	<input type="text"/>
Postcode/Zipcode	<input type="text"/>
Country	<input type="text"/>

The green arrows at the bottom of each page can be used to navigate through the application form.

Proposal summary

Provide a summary of your proposal (200 words max)

Details of proposal

Upload a PDF file, containing details of your proposal.

Details should include:

- Aims and key deliverables;
- Background and justification;
- Details of the planned activities;
- Timetable and milestones (as appropriate).

Ensure that you provide the information requested on the call webpage (under 'writing your preliminary application') when addressing the above points.

Do not exceed 1,650 words.

Upload your proposal detail as a single PDF. Ensure that the PDF file is named in the format 'Lead applicant full name_Application title'. The uploaded document must be in 11-point Arial font and portrait format.

References are not required in this section, but you may provide them. Citations embedded in the proposal text will count towards your word limit. A reference list at the end of the proposal will not count towards the word limit but should be kept as brief as possible.

Only include figures/tables that are directly relevant to your proposed research (for example, one figure of preliminary data, Gantt chart of project plan). These will not count towards the word limit.
