

## **Request for Proposal (RFP) for an embedded social researcher (or team) to support Wellcome's Institutional Research Culture Community**

*Please note that we cannot consider applications from prospective suppliers currently affiliated to any of the 43 organisations invited to IFRC (see list below). This is to avoid actual or perceived conflicts of interest between institutions within the community and to allow the supplier to conduct their research and build relationships as an organisationally independent third party. This will provide the best foundation for supporting trusting and collaborative relationships within the community. Please ensure that you have checked your eligibility in this regard before beginning your proposal.*
